Re: Allegation of Misconduct

Dear Mr. Delgado:

It has come to my attention the Roswell Police Department has received complaints of child abuse/molestation involving youth members of Boy Scouts of America Troop 2 and yourself.

The policy of the Boy Scouts of America is very specific, that this action is not acceptable and counterproductive to the program. Because the accusation involves Troop members, I feel it is in the best interest of the Troop that you should be placed on indefinite suspension from Troop activities pending results of the investigation.

Due to your position as Administrative Assistant, all official records of the Troop or Scouts, including troop property, keys, photographs, should be surrendered at the earliest possible convenience.

Should you wish to appeal this decision, you should contact the office of the Conquistador Council, BSA for information concerning appeal procedures.

Sincerely,

  
John Halvorson

Dear Mr. Delgado:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for review are attached.

Sincerely,
